<b>Short Description:</b>	<p>ProjX has been in business supporting the Electronic Systems Center at Hanscom AFB since May, 2001. We specialize in Strategic Planning, Program and Project Management, Mapping and Matrixing of capabilities, Roadmap and Master Schedule development and budget management providing high level executive overviews and reports to senior leadership. We also specialize in executive level special projects and functions providing the logistics and coordination for major meetings, working groups and conferences. ProjX is a small company but poised to grow at a modest level (5-8 employees/yr).</p>
<b>NAICS:</b>	
<b>561920</b>	This industry comprises establishments primarily engaged in organizing, promoting, and/or managing events, such as business and trade shows, conventions, conferences, and meetings (whether or not they manage and provide the staff to operate the facilities in which these events take place).
<b>561110</b>	This industry comprises establishments primarily engaged in providing a range of day-to-day office administrative services, such as financial planning; billing and recordkeeping; personnel; and physical distribution and logistics. These establishments do not provide operating staff to carry out the complete operations of a business.
<b>541690</b>	This industry comprises establishments primarily engaged in providing advice and assistance to businesses and other organizations on scientific and technical issues (except environmental).
